1. Agricultural products produced with the use of sodium nitrate shall not be sold or marketed as organic in Canada.
2. Agricultural products produced by hydroponic or aeroponic production methods shall not be sold or marketed as organic in Canada.
3. Agricultural products derived from animals (with the exception of ruminants) must be produced according to livestock stocking rates as set out in CAN/CGSB-32.310-2006-32.310-2006 (amended October 2008).

This attestation or equivalent statement must appear on documentation travelling with any product entering to Canada.

Yours sincerely,

A handwritten signature in black ink that reads "Wendy Ramirez".
