

Nursing Plus Set

Product Information

Brand	3B Scientific
Item No.	3011611 [8000873]

- This product carries a 3 year warranty

Description

The advanced version of our Essential Nursing Lab Kit.

Use this kit to practice and perfect nursing clinical skills. Train on patient care, catheterization, and wound management of various severities using the included simulators. Practice needle work and locating the correct sites for injections and blood draws on trainers with realistic feel and texture. Review human anatomy in life-size scale and accurate detail with several quality anatomical models. Great for any nursing program!

Includes:

- [P10/1 Patient Care Manikin Pro](#)
