

Essential Nursing Lab Set

Product Information

Brand	3B Scientific
Item No.	3011610 [8000869]

- This product carries a 5 year warranty

Description

The nursing lab kit to practice and perfect basic nursing clinical skills.

Train on patient care, catheterization, and wound management of various severities using the included simulators. Practice needle work for injections and blood draws on trainers with realistic feel and texture. Review human anatomy in life-size scale and accurate detail with quality anatomical models. Great for any nursing program!
